## Adventure Treasure Box

A handsome treasure box is the perfect spot for special souvenirs and prized collections.

### You'll Need:

---

|                  |           |
|------------------|-----------|
| Small box or tin | Tape      |
| Crayola® Crayons | Glue      |
| Cardboard        | Paper     |
| Scissors         | Treasures |

### Here's How:

- 
- Step 1** If using a small box, decorate the outside with Crayola® crayons. If using a tin, tape a piece of paper on the outside to decorate.
- Step 2** Make compartments for the inside by cutting cardboard into small sections. Or accordion-fold a long strip of paper and glue the last page to the bottom of the box.
- Step 3** Place “treasures” inside the compartments or attach to paper with glue.
