Personalized Paper Pennants

Give your little fan one more reason to cheer with these personalized pennants.

You'll Need:

Crayola® Crayons or Markers

Scissors

Construction paper

Dowel rods

Ruler

Twine

Pencil

Glue

Here's How:

Step 1 Use a ruler to draw straight lines from the left corners of the construction paper to the center of the right side.

Step 2 Cut along lines with scissors to create pennant's triangular shape.

Step 3 Use Crayola® crayons or markers to decorate.

Step 4 Wrap twine around dowel rods for decoration; glue on each end to hold.

Step 5 Attach pennants to dowel rods with tape or glue.
