

FLIGHTS OF FANCY

Hot-Air Balloon Mobile

The sky's the limit with these adorable handmade hot-air balloons and clouds.

You'll Need:

Crayola® Crayons

Pencil

Construction paper

Double-sided tape

Scissors

Clear string

Here's How:

- Step 1** Fold a piece of construction paper in half.
- Step 2** Draw half a hot-air balloon or cloud.
- Step 3** Cut out with scissors and copy onto four more sheets of folded paper.
- Step 4** Cut out remaining parts and use double-sided tape to piece together.
- Step 5** Use Crayola® crayons to color and decorate.
- Step 6** Hang from ceiling with clear string so that they appear to be floating.
