

# ON THE FENCE

## *Tonal Painted Fence*

Cross boundaries by turning a traditional picket fence into a charming striped exterior wall.

### You'll Need:

---

Dutch Boy® Exterior paint (3 colors)  
Flat paint brush  
Paint tray and liners

Medium-grit sandpaper  
Clean, damp cloth

### Here's How:

---

**Step 1** Use the sandpaper to sand any rough or glossy surfaces; wipe with the clean, damp cloth to remove dust or debris.

**Step 2** Using the flat brush, paint first color on every third picket; repeat process for the second and third colors; allow paint to dry, following suggested drying time on the can label.

*Optional: For added durability, apply a second coat of paint.*

Find more paint projects at [dutchboy.com/projects](http://dutchboy.com/projects).

See paint can labels for application instructions and drying times.

Use Dutch Boy® paint to ensure precise color match. Refer to the actual color chip for accurate color representation.

Pickets: Sultry Gray 442-3DB,  
Weeping Birch 405-1DB and Moon Pie 406-1DB
