

Dutch Boy® Paints

Platinum® Plus Cabinet, Door & Trim

Expert Color Selections

DIYers who select Dutch Boy® Platinum® Plus Cabinet, Door & Trim can choose from ready-to-go whites like High-Hide White and Ultra White or take their pick from more than 1,340 Dutch Boy brand colors that can be tinted in this paint to match virtually any color scheme.

For those who'd like some inspiration, Dutch Boy Paints' senior color designer, Ashley Banbury, NCIDQ, hand selected two timeless and two on-trend colors from the brand's palette. Any of these inspiration colors would be a great match for transforming cabinets, doors and trim.

Inspiration for timeless hues includes:

- 335-7DB Deep Sky
- 005W Brightened Cream (also included in the Dutch Boy Paints' 2021 Trend Forecast)

Inspiration for on-trend hues includes:

- 237-5DB Earth's Harmony (also Dutch Boy Paints' 2021 Color of the Year)
- 440-6DB Comforting Neutral

Dollops and room images showcasing these inspiration colors are included in the *Platinum Plus Cabinet, Door & Trim Press Kit*.
