

WINDOW WONDERLAND

Painted Window Casings

Frame your windows to the world with eye-catching color spanning the length of the adjoining ledges.

You'll Need:

Dutch Boy® Cabinet, Door & Trim paint	Fine- to medium-grit sandpaper
Angled paintbrush	Single-edge razor blade
Paint tray and liners	Drop cloth
Painter's tape	Clean, damp cloth

Here's How:

-
- Step 1** Use the sandpaper to sand any rough or glossy surfaces; wipe with the clean, damp cloth to remove dust or debris.
- Step 2** Lay down the drop cloth to protect floors; use the painter's tape to cover walls around the window; tape off each windowpane.
- Step 3** Paint window trim with the angled brush.
- Step 4** Remove painter's tape while paint is still damp; clean up any mistakes with a clean, damp cloth; allow paint to dry, following suggested drying time on the can label.
- Step 5** Scrape any paint from window glass with the single-edge razor blade.
